# Vision for Rosary Rally

---

## **Big Picture:**

*Lead people to Jesus who offers them the abundant life.*

## **Ways of doing that at the Rosary Rally:**

Mainly through 1-on-1 street contact, by

- \*Wordless Witness (cheerful happy faces!)
- \*Giving away Balloons
- \*Music
- \*Media Coverage
- \*Having Meaningful Conversations
- \*Sharing the basic message of the Gospel.
- \*Encouraging people to discover the rosary.
- \*Inviting people to come along and pray with you in your group.

Evangelization Training will be provided for this.

For many people, religion is old fashioned. It may surprise them to know that there are loads of youngsters who still love the Catholic faith, so there is strength in numbers. Come as your own apostolate (Youth 2000, Pure in Heart, Legion of Mary, Regnum Christi, Charismatic Renewal, etc.) If you have a banner, bring it! Help the fish to find their way into the net!

We want to join youth culture with the invitation/encouragement to discover the rosary, but also to discover friends who are alive in their faith, communities to become part of, etc.

Evangelization and outreach during the day, procession with public recitation of the rosary.
